

- Hi Saurav sir,
- I hope this messages finds you well, I am delighted to inform you that our discussions have culminated in Green Tick service. We appreciate your trust in our product and services.

### Benefits of WhatsApp Green Tick

#### Better Trust and Credibility:

- The green tick assures customers that they are communicating with a genuine company. It sets us apart from competitors and reinforces our brand's reliability.

### Standing Out Among Competitors

- The verified badge prominently displays next to our business name on WhatsApp. It signals our commitment to transparency and professionalism.

### Improved Customer Engagement

- Verified businesses are more likely to receive responses and interactions from customers. It fosters trust, which is crucial in today's digital landscape.
- Once approved, we'll proudly display the green tick on your WhatsApp profile, reinforcing our commitment to excellence.
- We are thrilled to announce that we are running an offer for Green Tick at the best price of ₹60,000+ Gst including 3 months basic plan of API
- Grab this opportunity, as this is for limited time only.

**NOTE: You are required to make a minimum payment of 75% in advance and rest just after getting Green Tick.**

If you have any further queries, please let me know I will be happy to assist you.
